For Immediate Release:

Press Release – Special Save My Musik Membership Promotion

25 July 2009

We recently introduced a special promotion for our early trial members to become fully-fledged members for our service. The special offer, a one time low fee of \$20 (AUD) for a full year, ends on Aug 15th. The price is less than half off the advertised rate!

As a bonus offer, those early trial members can refer a friend or family member. In return for referring them, we reward them with an additional FREE 10GB on their new account. So that's an unbeatable offer of a 20GB account for only \$20 good for a whole 12 months! There is no better offer our existing trial members will find online today!

We encourage anyone to discover our easy-to-use service. Care to see more first? We've recently added some quick instructional service clips for those interested to learn more. To view our videos, click on this link:
